Green Campus Initiatives

Policy Document

Policy Document on the Green Campus

Green Campus: A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture by conducting various activities to create awareness regarding to environmental, social and economic needs of mankind.

Objectives: The Green Campus Initiatives involves first step as establishing a viable Green-Campus related committee i.e. Nature- Club Committee, within the Institute. Besides, the NSS committee of college works for cleanliness campaign within the college and outside the college. Various departments are also regularly involved in creating clean campus awareness activities.

The administration of the Institute believes that everyone has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus. Every individual of Shri Yashwantrao Patil Science College, Solankur will work, may he/she be a student, faculty and support staff in support to make campus green.

Composition of the Nature Club Committee:

Dr S. V. Madhale – Head Department of Botany & IQAC Coordinator YPSC, Solankur

Dr M. S. Sutare - Assistant Professor Dept of Botany, YPSC Solnakur.

Dr S. P. Dorugade - Assistant Professor Dept of Botany, YPSC Solnakur.

Role of the Go- Green Campus Programme:

Thus in view of this, the committee will plan and execute to:

1. Seek views of all the Stakeholders to make the Go Green Campus initiative functional throughout the year.
2. Establish a Green Campus Environmental Ethic Awareness campaigns.
3. Organize Awareness Programs for the students, faculty and society.

4. Phase out the conventional light source such as bulbs and tube lights, campus lights and get them replaced by the LEDs.

Promotion of “Save Energy Tips” in and outside the Institute:

1. Activate power management features on your computer and monitor so that it will go into a low power “sleep” mode when you are not working on it.
2. Turn off electric equipment like fan, lamps, computers etc. when you leave your table/room.
3. Avoid the use of decorative lighting.
4. Use LED

Major Green Campus Initiatives:

1. Tree Plantation Drive
2. Cleanliness Drive
3. Use of LEDs
4. Restricted entry of automobiles
5. No Vehicle Day observed

Providing Circulars/ instructions for Green Campus:

1. Circulars for promoting students regarding public transport
2. Circulars for keeping clean campus
3. Circulars for Teaching and nonteaching staffs for car Pooling/ sharing.

The Institute will make all the necessary efforts to involve the students, faculty and staff in “Green Campus Initiatives” by designating the volunteers of Nature Club, NSS or various departments in the Campus.
