Annual Report 2022-23

Examination Committee

The Institution has offered B.Sc. (Chemistry, Physics, Botany, Zoology, Mathematics) programmes to the students. As per the guidelines given by CDC and IQAC, Examination Committee prepared an examination schedule which is incorporated in Academic Calendar. This allows the faculties to preplan the assessment procedures to be employed for each class. The schedule includes diagnostic test for first year students of all programs and unit tests. Unit tests were conducted at the department level. Examination is conducted in an regular offline mode descriptive type. The internal evaluation is done as per the rubrics devised by the committee and results were prepared and shown to the students for further up gradation in their academic development.

A diagnostic test was conducted for first year students on 25/09/2022 in order to identify slow and advanced learners. All departments have taken unit tests in each semester and maintained records of these examinations in their department. During first semester regular descriptive type examination of the 1st year students for the semester I (Fresh students) and II (Repeater students) is taken at institutional level in an offline mode and results were communicated to the University. Also, during 2nd semester, these examinations were taken in an offline mode through centralized block-wise seating arrangement. The results of internal evaluation. Our institution followed the university norms and guidelines for conducting semester examinations. College had appointed junior supervisor senior supervisors and guided them for their work. The results of final year students of University Examination were remarkable. The result of B.Sc.-III was
